

Good afternoon,

As you know, Pa.R.C.P. 205.5 requiring the use of a Statewide Civil Cover Sheet becomes effective May 26<sup>th</sup>, 2010. The new AOPC Civil Court Statistical Report, effective with the cover sheet, is attached.

Beginning with the June 2010 report (due to AOPC by July 15, 2010), you are to begin using the new Civil Court Statistical Report. The report now captures all docketed cases in the civil inventory, not just those cases which have become "trial ready" during the month. The begin-pending figure for the month of June will be the total number of active civil cases.

Accordingly, it is expected that the pending inventory will inflate significantly. Also, the disposition categories have expanded.

Should you have any questions about completing the new statistical reporting form or would like additional Civil Statistical Reporting Manuals, please feel free to contact the Research Department at 215.560.6300.

Thank you,  
Laurie
